Attention is drawn to the fact that the figures for the quarter and year ended March 31, 2025 as reported in this Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures upto the third quarter of the previous financial year.

In our opinion and to the best of our knowledge and according to the explanations given to us, the statement:

- (i) Is presented in accordance with the requirements of Regulation 33 of the Listing Regulations; and
- (ii) Give a true and fair view of the standalone net loss and other comprehensive income and other financial information for the quarter and year ended March 31, 2025,

subject to the following qualifications:

- a. The Company has not carried out impairment on its investments and advances in subsidiary companies as required by Indian Accounting Standards (Ind AS 36) and continued to carry at cost. On the basis of documents made available to us we are of the opinion that impairment should be carried out on such investments and advances made to the said companies. Had impairment on the said investments and advances been carried out then loss of the current year would have increased by Rs.62,34,550/- and Rs.3,75,61,682/- respectively.
- b. The Company has not carried out any impairment on intangible assets as required by Indian Accounting Standard (Ind AS 36). Since we are not technically qualified to value such intangible assets and in absence of any documents for realizable value of such intangible assets, we are unable to determine whether any adjustment to intangible assets was necessary.
